On behalf of International Procurement & Logistics (IPL) Limited, I am pleased to present our Gender Pay Gap Report as at April 2020.

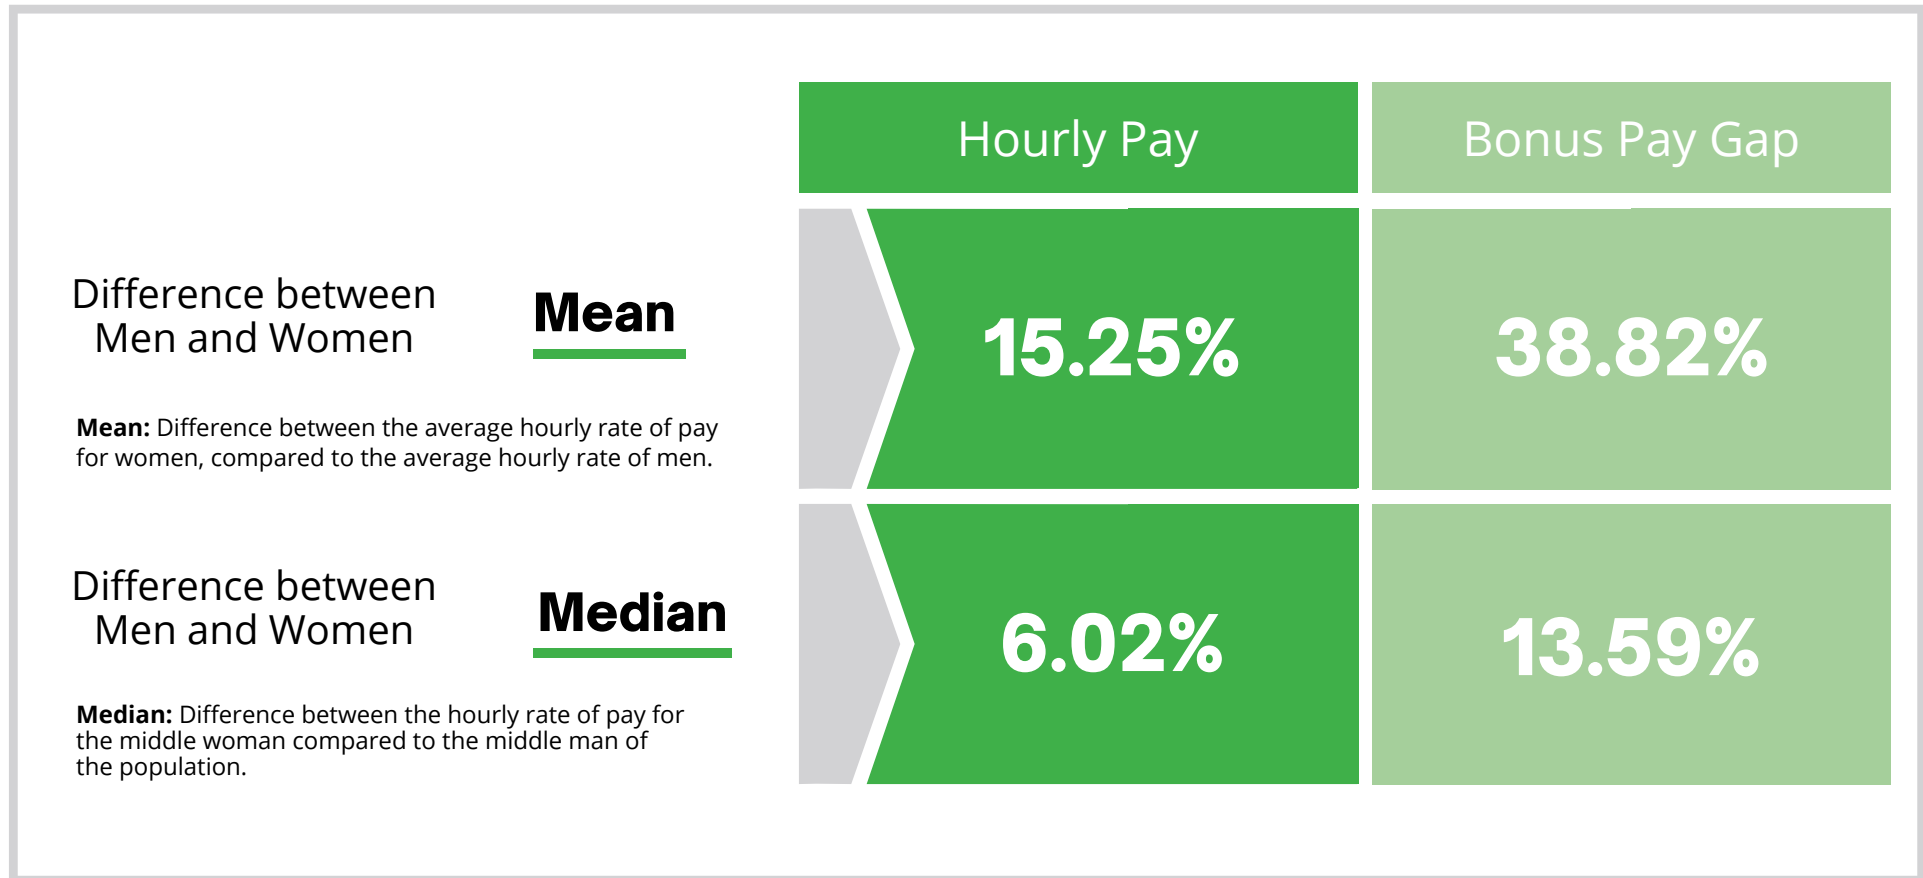

We employ approximately 2051 colleagues and supply fresh produce, house plants & flowers, nuts and dried fruit.

Our 2020 figures indicate a marginal year on year improvement in our median pay gap and average bonus gap. A 13% increase has been reflected in our median bonus gap as we introduced our site performance based monthly bonus scheme for operational colleagues.
