2. Our obligations to groceries suppliers under the code

(a) The **code** is fully incorporated into any **contract** for supplying **groceries** for resale in the United Kingdom by Asda Stores Limited. If there is any conflict between the terms of that **contract** and the **code**, the terms of the **code** will apply for those supplies.

(b) In the rest of this condition 2, terms that are shown in **bold** and which are not included in the definitions above, will have the meaning given in the **code**.

(c) In line with the **code**, if you supply **groceries** to us for resale in the United Kingdom by Asda Stores Limited the following will apply:

(i) **We** will at all times manage **our** trading relationship with **you** fairly and lawfully, and in good faith.

(ii) All records relating to a **contract** which **we** hold are available to **you** if **you** ask.

(v) **We** will settle all payments in line with the terms of a **contract** and without delay;

(vi) **We** will only **require you** to make significant changes to the supply chain procedures if **we** have given **you reasonable notice** in writing. Otherwise **we** will fully compensate you for any loss **you** reasonably suffer as a direct result of our failure to give reasonable notice;

(vii) **We** may give you forecasts which **we** have prepared in good faith and with due care and in collaboration with **you** (which **we** may amend from time to time). Forecasts are not binding so do not form any kind of **contract**. **You** accept that **you** will not be entitled to compensation for any loss which **you** may suffer as a result of any forecasting mistake **we** may make unless **we** deem compensation appropriate in the specific circumstances;

(viii) **We** will not ask **you** for payment to stock, list or better position the **goods** unless the payment is either:

(1) in relation to a **promotion** (for which we can require you to give us up to 50% of the **promotion** costs);

(2) for **goods** we have not stocked for the previous 365 days in 25% or more of our stores (this payment is a reasonable estimation of our risk of stocking the new **goods**); or

(3) for both of these reasons.

(ix) if **we** hold a **promotion**, we will give you **reasonable notice** in writing and **we** will take care not to over-order the **goods** for the **promotion**. If **we** fail to take care to avoid over-ordering the **goods**, we will pay you compensation as set out in clause 14 of the **code**;

(x) **We** will not ask **you** for compensation for **shrinkage**.

(xi) **We** will not ask **you** for compensation for **wastage** unless it becomes clear after delivery that any of the **goods** do not **keep to** and fulfil any of the **promises** shown in condition 10, which **we** will treat as negligence or default on **your** part.

(xii) From time to time, **we** may ask **you** to pay all or part of:

(1) the costs of artwork and packaging design, consumer and market research, store opening and refurbishment; and

(2) the costs of hospitality and visiting **your** premises;

(xv) If **you** ask **we** will use **our** right to carry out an audit in line with any relevant agreement with the Groceries Code Adjudicator;

(xvi) If **we** have to **de-list** you as a supplier, **we** will only do this for genuine commercial reasons (which includes all circumstances in condition 11(c)) and will give you **reasonable notice** and written reasons of **our** decision as set out in clause 16 of the **code**.

(xvii) **We** will make **you** aware of any changes to the identity and contact details of **your senior buyer**.

3. Commitment to purchase and excluding other terms

(a) Unless **we** agree otherwise in writing, **we** do not have to buy any **goods** from **you** (in other words, there will be no related binding contract) until **we** have given you a purchase order for the **goods**.

(b) At the point that a **contract** is agreed (when the **parties** agree its contents in writing), **you** agree to **keep to** the **contract** and that no other terms and conditions (including **your** standard terms and conditions, or those implied by trade, custom, practice course or dealing) will apply, unless we have agreed another arrangement with **you** in writing.

4. Important conditions

(a) **You** accept that time is of the essence in carrying out **your** obligations under a **contract**. **We** will treat any failure by **you** to meet **your** deadlines as a material **break of a contract**.

(b) Unless expressly agreed in writing, nothing in any **contract** requires **you** to supply exclusively to **Forza**. Similarly, nothing in any **contract** requires **Forza** to buy exclusively from **you**.

(c) The **policies** form part of each **contract**. **You** must **keep to** and fulfil their terms as part of the **promise** you are giving **us** in condition 10(a).

(d) **Our** forecasts are not binding, so do not form any kind of **contract**.

(e) **We** may ask **you** to provide and deliver sample products to **us** (at no extra cost to **us**). However, **we** may not always return the samples to **you**, and **we** or **ASDA** may sell the samples to customers or colleagues of **Forza** or **ASDA**.

5. Delivery

(a) **You** must deliver the **goods** to us in line with the terms of the relevant **contract** and the **policies**.

(b) The **goods** will be treated as being delivered to **us** when we have given you proof of delivery documents.

(c) Unless **we** agree as part of the relevant **contract**, **you** may not deliver **goods** in instalments. If **we** do agree to **you** making the delivery in instalments, the **goods** will be treated as being delivered to **us** when we have given **you** proof of delivery documents on the date of the final instalment.

(d) If the **goods** (or part of them) do not match a **contract** or a **specification**, we may refuse all of part of that delivery of the **goods**.

6. Legal ownership and risk

(a) Legal ownership of the **goods** will pass to **us** when the **goods** are delivered to **us** or collected by **us**, or when **we** pay for them, whichever is earlier.

(b) Risk in the **goods** will pass to **us** when they are in our possession.

(c) Any returns of **goods** (including **goods** that have been rejected, withdrawn or recalled) will be at our risk only while they are in our possession. If **we** have paid for the **goods**, **we** will keep legal ownership of them until you have refunded to **us**, in cleared funds, the full **price** for the **goods**.

7. Price and VAT

(a) The **price** includes all costs including, but not limited to, all customs duties, import and export charges, taxes (except VAT), delivery, transport, loading and unloading costs, packaging costs, insurance, parts, labour costs and expenses.

(b) All amounts due under a **contract** will not include VAT unless **we** agree otherwise with **you** in writing. If we owe **you** VAT, we will pay that VAT to you after receiving a valid VAT

invoice from **you**. If **we** incorrectly pay VAT to **you**, when **we** ask **you** to refund it, **you** must do so promptly.

8 Payment

- (a) Payment will be made in line with the requirements of the relevant **contract**.
- (b) **You** may invoice **us** for the **goods** when they have been delivered, as decided in line with condition 5. **We** will treat any invoice issued before the date of delivery or which does not meet the requirements in the relevant **contract** as not valid and **we** will not pay it, unless **we** agree otherwise in writing.
- (c) Unless **we** agree otherwise in writing payment of each **valid invoice** will be made on our next **weekly payment run** following 30 days after the date of the relevant invoice, unless **we** have notified **you** in writing that you are a "small supplier" in which case until we notify you that you are no longer a "small supplier" payment of each **valid invoice** will be made within 30 days (cash in bank) of the date of the relevant invoice.
- (d) If **we** disagree with an invoice, or any part of it, **we** will only pay the undisputed amount unless agreed otherwise with **you**.
- (e) If **you** owe us or any **group company** money in relation to any **contract** or otherwise, without affecting our other rights or remedies, **we** can use the amount **you** owe **us** or another **group company** to pay off any amount **we** may owe **you**. **You** are not entitled to do the same. If **you** have a credit balance, **you** must pay it to **us** as soon as **we** ask.
- (f) Interest will be charged on any amount that is not paid by **you** or **us** on the relevant due date. Interest builds up each day from the original due date for payment until the actual date the overdue amount is paid at a rate equal to 2% a year above the base lending rate of Barclays Bank plc. The interest will be paid together with the overdue amount. The obligation to pay interest will not apply to payments which are being disputed in good faith. The parties agree that the level of interest due is a substantial contractual remedy for the purposes of the Late Payment of Commercial Debts (Interest) Act 1998 (as amended).

9 Right to audit

- (a) **We**, or an agent on our behalf, have the right during normal working hours to audit (at our cost) the way **you** are carrying out **your** obligations under a **contract** and to identify any problems with payments whether arising from incorrect invoicing, incorrect payments or otherwise. **You** agree to co-operate with any audit and if **we** ask, give **us** access to your staff, systems, premises and relevant documents (at your cost).
- (b) Where possible, **we** will give **you** reasonable notice of our intention to carry out an audit. However, **we** do not have to give **you** notice if **we** have concerns about the safety or source of any **goods**, or where **we** believe that you have caused a **break** in a **contract**.
- (c) If any audit confirms that **you** owe us money, **you** must promptly, if **we** demand, refund **us** the amount plus any interest worked out at the rate shown in condition 8(e).
- (d) This condition 9 will apply no matter when the break or error happened or what period of time has passed.
- (e) Our right to audit set out in this condition 9 is separate from and applies as well as any audits that are referred to in the **policies**.

10 Representations and material conditions

- (a) Each party **promises** to the other that it will **keep to** and fulfil its obligations under each **contract**.
- (b) **You** **promise** that you will fully **keep to** all laws, regulations, codes of practice and government orders which apply to each **contract** including, but not limited to, those relating to tax, data protection and privacy, exchange controls, customs matters, anti-bribery and anti-corruption, anti-trust, anti-money laundering, trade sanctions and criminal matters.
- (c) **You** **promise** to comply with the Modern Slavery Act 2015 and give **Forza** any other **relevant group company** any assistance it reasonably requires with complying with its obligations under that Act.
- (d) **You** **promise** that:
- all **goods** supplied to us correspond with any relevant **specification** or sample; are fit for purpose; are of satisfactory quality; are supplied in line with the relevant **contract**, and are free from all defects;
 - you** will **keep to** and fulfil your obligations under the **policies**;
 - by supplying the goods, **you** are not infringing the **intellectual property rights** of any other person; and
 - you** have all necessary licences, permissions, authorisations, permits and warranties needed to allow **you** to supply the **goods** to **us** for future sale by **us**.
- (e) You acknowledge and agree that a **break** of any of the conditions in this condition 10 will give **us** the right to claim under a **contract** for any **loss** **we** or any **group company** suffer as a result.

11 Actions we can take if you break a contract

- (a) If **you** **break** any of the terms of a **contract**, **we** may:
- end all or part of the **contract** immediately;
 - refuse to accept any future deliveries of the **goods** which you try to make under that **contract**; and
 - claim compensation from you for any **loss** **we** or any **group company** suffer, including any costs we have to pay in getting suitable replacement **goods** from another person.
- (b) If the **goods** do not **keep to** and fulfil the **promises** set out in condition 10(c), **we** may reject all or any of the **goods** and within five working days of receiving our notice of rejection (or any longer period as may be agreed in writing between the **parties**), **you** must (as we decide):
- fix the rejected or faulty **goods**; or
 - supply replacement **goods** (the replacement **goods** will be governed by the same **contract**); or
 - refund to **us** any **price** we have paid for those **goods**; and
 - instruct **us** on how to dispose of, store or return the **goods** (at your cost); otherwise **we** will deal with the **goods** as **we** see fit and at your expense.
- (c) **We** may immediately end all or part of the **contract** and any other **contract** with you, and immediately **de-list** you by giving **you** written notice if **you** do any of the following:
- materially or repeatedly **break** the terms of that **contract**;
 - break** your obligations in any **contract** relating to the safety or source of the **goods**;
 - become controlled or owned by a different person than the one that controlled or owned you at the date of that **contract**;
 - suffer an **insolvency event**;
 - do something, or are alleged to have done something which could damage or has damaged our, or any **group company's**, brand, reputation or goodwill; or
 - commit, or are alleged to have committed, an act of bribery, corruption or fraud.
- (d) **We** shall be entitled to terminate a **contract** immediately on written notice if you are experiencing **significant financial difficulties**. **You** must inform **us** immediately after you become aware of any situation which would reasonably be expected to lead you to experience **significant financial difficulties**.
- (e) All of the rights and action we can take listed in this condition 11 will not affect any other rights or action we may have, or could take, under any given **contract** or any law, whether or not **we** have accepted the **goods**.

12 General rights and consequences of ending a contract

- (a) Either party may issue a notice that brings a **contract** to an end immediately if the other stops trading or suffers an **insolvency event**. If **you** suffer an **insolvency event**, **we** will have the right to take possession of any **goods** for which we have previously paid for but which have not yet been delivered to **us**. To make sure **we** can enforce this condition, **you**, or your representatives, must give **us** access to any relevant premises used for storing the **goods**.
- (b) If a party ends a **contract**, it will not affect its rights and actions which have built up before the **contract** is ended or the validity of any debt or liability which is owed by one party to the other before the **contract** is ended.

- (c) Any condition of any relevant **contract** which (expressly or impliedly) continues to apply after the **contract** is ended (including, but not limited to, conditions 1, 8, 9, 11, 12, 13, 14, 15, 16 and 18 of the **conditions**) will do so with full force and effect.

13 Liability

- (a) The parties agree that nothing in any **contract** is intended to exclude or limit either your liability, or our liability, for:
- death or personal injury; or
 - fraud, including a fraudulent misrepresentation.
- (b) Subject to clause 13(e), neither party will have any liability for any indirect or consequential loss, in **contract** or otherwise, arising out of or in connection with a **contract**.
- (c) **We** will have no liability for any claim against us in relation to the **goods** or any **contract** if **you** have not given **us** written notice of the claim within two years of the earlier of:
- the cause of action arising; or
 - the date on which **you** should have reasonably been expected to be aware of the claim.
- (d) In terms of any **contract**, **we** will have no liability (apart from for fraudulent misrepresentation) for any statement made by **us**, or by any other person on our behalf, before the date of that **contract**.
- (e) **You** must indemnify (protect) **us**, keep **us** indemnified and hold **us** harmless fully against any **loss**, claim or action **we** or any **group company** may suffer in relation to the **goods** including but not limited to:
- to do with your supply of the **goods**;
 - to do with our onward sale of the **goods**;
 - relating to the safety, source or quality of the **goods**;
 - relating to infringing another person's **intellectual property rights**; or
 - relating to any liability under the Consumer Protection Act 1987, whether or not **you** or **we** could reasonably foresee that the liability could arise.

14 Insurance

- (a) **You** must have adequate insurance policies in place with a reputable insurance company covering at minimum:
- employer's liability at the minimum level legally required where **you** operate;
 - public liability with a minimum limit of £5,000,000 for each event; and
 - product liability with a minimum limit of £5,000,000 for each event (unless otherwise agreed, our interest must be noted on the policy).
- (b) **You** must make sure that all insurance policies contain an 'indemnity to principal' clause (meaning that if, because of your negligence, a claim is made against **us** by another person, your insurer must cover that other person's loss as well as our **loss**).
- (c) **You** agree to promptly provide copies of your insurance policies to **us** if we ask.

15 Confidentiality

- (a) The parties agree:
- to keep confidential any information, which by its nature is confidential, gained or received from the other in relation to **you** supplying the **goods** and each **contract**; and not to use the confidential information without the other's permission or reveal it to anyone else (including employees, agents, or subcontractors) or allow anyone else to do so, except as strictly necessary to carry out a responsibility under the **contract** and only as long as the other person meets the same level of confidentiality as set out in these **conditions**.
- (b) The restriction in clause 15(a) does not apply to information which:
- is generally available to the public (unless that public availability was caused by either party failing to keep the information confidential);
 - was already known to the person receiving it (unless they are already bound by an obligation to keep that information confidential); or
 - the person receiving it is required by a court order or other legal obligation to reveal it.
- (c) **You** agree that **you** must not publicise any **contract** or your relationship with **us** or any **group company** (including using our name or logo, or any logo referencing any "ASDA", "George" or brands belonging to **ASDA**) on any website or literature, or use any other depiction of **Forza**, **IPL**, **ASDA** or any other **group company** or such logos in any media format unless we have given our written permission beforehand for that publicity.

16 Intellectual property rights

- (a) All **intellectual property rights** in anything that we supply to **you** will be and will stay our (or **ASDA's**) property (as applicable) and may only be used by you to manufacture and supply the **goods** to **us**.
- (b) All **intellectual property rights** in anything that **you** develop, or which are developed on your behalf, specifically to meet your obligations under a **contract** will be our property. **You** must transfer all **intellectual property rights** to **us** in full using a current assignment of future rights (the law describes this as being a transfer made with full title guarantee) which will apply from the date on which any relevant material or data is created.
- (c) **You** **promise** that immediately before you transfer any rights to **us** under condition 16(b), you were the only legal and beneficial owner of all **intellectual property rights** in the materials or information. **You** acknowledge and agree that any **break** of this condition 16(c) will give **us** the right to claim under a **contract** for any **loss** **we** or any **group company** suffer as a result.
- (d) If **we** ask, **you** must do whatever is necessary (including signing any relevant document or granting any relevant power of attorney) to transfer any **intellectual property rights** needed to bring condition 16(b) into effect.
- (e) If **you** supply branded goods of any **group company** (meaning any goods carrying the "ASDA", "George" or any other brand or trade mark (whether registered or unregistered), belonging to or controlled by or under the direction of a **group company**), **you** must only apply branded labelling that has been approved by **us** in writing. **You** must not supply such goods to another person without first getting our written permission. **You** agree to remove and dispose of (at your own cost) all **group company** labels, price labels, trademarks and other distinguishing marks from the goods before **you** supply the goods to another person, when the relevant **contract** comes to an end and/or if we **de-list** you as a supplier.
- (a) **You** agree to indemnify **Forza** against all costs, expenses (including reasonable legal costs), damages and losses resulting from or arising in connection with any claim brought against **Forza**, **IPL** or **ASDA** for actual or alleged infringement of any third party's intellectual property rights in any of the **goods**.
- (b) **You** permanently agree not to enforce any moral rights you may have in terms of Chapter IV of Part 1 of the Copyright, Designs and Patents Act 1988 in relation to any materials or data falling within the scope of condition 16(b), and any similar rights available in any part of the world. **You** must make sure that all of your employees, any relevant other person and any relevant subcontractors agree the same.

17 Data Protection

- (a) The expressions "data controller", "data processor", "data subject" "personal data", "personal data breach" and "process" have the meanings given to them in the data protection laws.
- (b) **You** shall duly observe all your obligations under the **data protection laws** which arise in connection with the **contract** and not do anything which puts us in breach of the **data protection laws**.
- (c) Insofar as you process **personal data** for **Forza** as a **data processor**, you shall:
- process the **personal data** solely on the documented instructions of **Forza**, for the purposes of performing the **contract**;
 - process only the types of **personal data**, relating to the categories of **data subjects**, and in the manner required to perform the **contract**, and in the manner agreed by the parties;
 - take all measures required by Article 32 of the **GDPR** and/or any policies to ensure the security of the **personal data**;

- (h) not transfer the **personal data** to any country outside the European Economic Area (EEA) without the prior written consent of **Forza**;
- (i) not permit any third party to process the **personal data** without the prior written consent of **Forza**, such consent to be subject to you meeting the conditions set out in Article 28 (2) and (4) of the **GDPR**;
- (j) promptly notify **Forza** of any communication from a data subject regarding the processing of their **personal data**, or any other communication (including from a supervisory authority) relating to either party's obligations under the **data protection laws** in respect of the **personal data**;
- (k) immediately upon becoming aware, and in any case within 24 hours, notify **Forza** of any personal data breach, such notice to include all information reasonably required by **Forza** to comply with its obligations under the **data protection laws**;

- (m) provide any assistance reasonably requested by **Forza** in relation to (i) any communication received under clause 16(c)(vii), as well as any similar communication received by **Forza** directly; and (ii) any personal data breach, including by taking any appropriate technical and organisational measures reasonably requested by **Forza**;
- (n) where requested by **Forza**, delete any personal data in accordance with **Forza's** then current data retention policy; and
- (o) cease processing the personal data immediately upon the termination or expiry of the contract and at **Forza's** option either return, or securely delete the personal data.

18 General

- (a) The **parties** agree that any notice issued under a **contract** must be made in writing (which shall include email) and will be treated as having been received two days after the date on which it was posted or, in the case of email, at the time it was sent (if the email is received after 5pm on a working day, it will be treated as being received on the next working day). Notices to **us** must be sent to the Company Secretary, **Forza**, c/o IPL, Unit 1, Foxbridge Way, Normanton, WF6 1TN or (if by email) to legal@ipl-ltd.com and must be copied to the Legal Team at the same address.
